Chaos Choreography: An InCryptid Novel Seanan McGuire

Verity Price is back on the West Coast and getting back into the swing of the family business: cryptozoology. She's rescuing cryptids from bad situations, protecting them from monster-hunters, and generally risking life and limb for the greater good, with her ex-Covenant partner/husband, Dominic, by her side. Her ballroom dance career is behind her...or so she thinks.

When Verity gets the call from the producers of *Dance or Die*, the reality show she almost won several years before, she finds the lure of a comeback impossible to resist, and she and Dominic are off to L.A. for one last shot at the big time.

Of course, nothing is that simple. When two of her fellow contestants turn up dead, Verity will need every ally she can find—and a couple she wasn't looking for—in order to navigate the complicated steps of both the tango and a murder investigation without blowing her cover. It doesn't help that her official family backup is her grandmother, Alice Price-Healy, who thinks "subtle" is something that happens to other people.

Winning this competition may have just become a matter of life and death.
