When Sarah picks out a strange Japanese game to play with her boyfriend Sean, she has no idea that the gender based fighting game is about to change their lives forever. The object of the game seems simple enough. A man and a woman fight. Only one can win. But as soon as the couple start playing, weird things start to happen.

When each round ends, a strange coldness fills the apartment. And as the avatars on screen start to change genders, so do the couple on the couch. Sean begins to transform into a woman while Sarah starts to take on the characteristics of a man.

When they both finally notice, one of them panics while the other gets excited. Now Sean is in for the battle of his life as Sarah tries to finish the transformation that's already begun. But it might already be too late. Because even as he fights to stay a man, he can't stop thinking about Sarah and her new body. Or what it will feel like if she takes him to bed with their roles reversed...

Text Me

When Paul reads a strange text in a language he doesn't understand, he has no way of knowing that the words on his phone have the power to change his life completely. Because the text isn't just a wrong number. It's a curse, and the powerful magic is meant for him.

Now there is nothing Paul can do as the curse changes him from a handsome and confident playboy to a petite knockout with a body he'd love to hold. And he knows there is only one person who could have done this to him. Jessica.

She was the girl he'd left crying just that morning. But now she's out for revenge. By the end of the day, she'll have it and so much more as she teases and torments Paul in his new feminine form. And the magical transformations don't stop with just Paul. Jessica wants to show him what it really feels like to be a woman, and she knows just the spell to do it...

It's his last hope to land the girl of his dreams, but first he has to find a love spell hidden in the ancient pages. And when he finds a spell that promises to transform him into Amanda's ideal lover, Billy jumps at the chance to change himself for her.

But when the spell backfires, changing Billy from an average looking guy into a brunette bombshell, he doesn't know what to do. Now his only option is to call Amanda over and let her judge for herself. And by the end of the night, Billy will have to chose between changing back into his old self, or staying with his dream girl, by becoming hers. Forever...
