Interview with Michael Crichton Michael Crichton

Best-selling author Michael Crichton talks with Audible's publisher Beth Anderson about his latest book, *State of Fear*. In this interview, Crichton explains how he came to rethink common wisdom about global warming. In the three year process of writing and researching the book, Crichton witnessed firsthand how difficult it can be to unearth scientific truth in a heavily politicized atmosphere. He warns against fanaticism and explains why a healthy skepticism is imperative in these fearful times. Listen to our exclusive interview Michael Crichton and learn the real story behind *State of Fear*.
