This is my life story and I want to thank you for allowing God to guide you to my book and picking it up. You see, I'm a Pastor and I don't believe in coincidences. Neither does God. What could you possibly get out of a story of a fifty-year-old Puerto Rican man who grew up in Brooklyn, New York? My story is more than what it was like growing up in Brooklyn in the early 1970's. My story's theme is about God and his love for mankind.

You've probably read the bible from Genesis to Revelation and that's good. I use famous people from the bible as well, as from society and history, to point out the different types of love that exist. I have come face to face with death many a times as well as Satan, but never without God. Why? It is because of his "LOVE" mercy, and grace.

I wish I could say disobedience was my only sin, but there were many much more but love covers a multitude of sins. But again, why me? I mean, who am I? I am a man with a divine calling who just would not give in to that calling. What does that have to do with love? All God ever wanted from me was to deliver his simple message, to tell the people how much he loves us all. Now you have taken the first step and have my life story in your hands. This war is real. It's a matter of life or death. I know God will speak to you because he has spoken to me while writing this book. I would not have gone through with this project had I not had God's conformation it may save your life. Once again, thank you. I know you will enjoy it. There is a personal message for you. May you find it and may you find God.

May God Bless You
