Political Islam: The Logic of Governance in Sudan

Ahmed Elzobier

Political Islam: The Logic of Governance in Sudan Ahmed Elzobier

The book aims to unravel the complexity of dynamics of power, domination, and resistance in Sudan. It will also draw special attention to who rules the country and how they ruled and what tools they deployed to execute their internal, regional, and international policies. Ultimately, by focusing on Sudan, I hope to provide an in-depth understanding of how political Islam operates in practical terms within the Middle East and North Africa.
