Sled Dogs to Saint Paul

Frank Moe

Sled Dogs to Saint Paul Frank Moe

On 8 March 2012 Frank Moe completed a week-long 362-mile trek on a dogsled pulled by a team of ten dogs from Grand Marais, Minnesota, to the State Capitol in Saint Paul. He delivered to Governor Dayton over 12,000 petitions from Minnesotans opposed to sulfide mining in the Lake Superior watershed and very close to the Boundary Waters Canoe Area Wilderness. His successful trip—through challenging weather, trail and road conditions—brought to the attention of many Minnesotans the real risks that both Lake Superior and the Boundary Waters face from the proposed copper/nickel sulfide mines. Getting his sled dog team to the Capitol was so much more than that epic eight-day trip. It was in fact the culminating adventure of a much longer journey for Frank and his incredible dog team. The book 'Sled Dogs to Saint Paul' is the story of Frank's discovery of dog sledding, and how the dogs came to be the focus of his life. Beginning with his first dogsled adventures on the lakes and trails near Bemidji, Minnesota, it continues to tell of Frank's rise in world of sled-dog racing and what led to the mission that now drives his kennel. The story is sometimes funny, and at other times quite serious yet always epic in some way. Excerpts from this manuscript were first published in Flyway, Journal of Writing and Environment, in the Winter of 2011/2012.

Patricia Oyler:

People live in this new day time of lifestyle always make an effort to and must have the free time or they will get wide range of stress from both lifestyle and work. So , when we ask do people have extra time, we will say absolutely yes. People is human not a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer will probably unlimited right. Then do you ever try this one, reading books. It can be your alternative with spending your spare time, often the book you have read will be Sled Dogs to Saint Paul.

John Hawkins:

This Sled Dogs to Saint Paul is great e-book for you because the content which is full of information for you who else always deal with world and get to make decision every minute. This book reveal it information accurately using great manage word or we can say no rambling sentences inside it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but difficult core information with splendid delivering sentences. Having Sled Dogs to Saint Paul in your hand like finding the world in your arm, info in it is not ridiculous a single. We can say that no publication that offer you world in ten or fifteen moment right but this reserve already do that. So , this can be good reading book. Hello Mr. and Mrs. stressful do you still doubt which?
