Spirit Into Sound: The Magic of Music Mickey Hart, Fredric Lieberman

Thirty years ago Mickey Hart started researching and gathering information on music. His studio walls eventually became covered by these powerful insights about music, resembling a glowing anaconda that had coiled itself along the walls.

Mickey Hart, along with Fred Lieberman, shares these gems from the musical treasure chest the anaconda has guarded all these years. Hart also offers his own insights about the origin and power of music and the sacred ability of music to transform the human spirit.

"Music becomes the language of God in the Ears of the believer, a new language, a secret call." - Mickey Hart
