Terrorism, Crime, and Public Policy

Brian Forst

Terrorism, Crime, and Public Policy Brian Forst

Terrorism, Crime, and Public Policy describes the problem of terrorism; compares it to other forms of aggression, particularly crime and war; and discusses policy options for dealing with the problem. It focuses on the causes of terrorism with the aim of understanding its roots and providing insights toward policies that will serve to prevent it. The book serves as a single-source reference on terrorism and as a platform for more in-depth study, with a set of discussion questions at the end of each chapter. Individual chapters focus on: the nature of terrorism, theories of aggression and terrorism, the history of terrorism, globalization vs. clash, the role of religion, nonreligious extremism and terrorism, the role of technology, terrorism throughout the modern world, responses to terrorism, fear of terrorism, short-term approaches and long-term strategies for preventing terrorism, balancing security and rights to liberty and privacy, and pathways to a safer and saner 21st century.

From reader reviews:

Katrina Frey:

What do you think of book? It is just for students because they are still students or it for all people in the world, exactly what the best subject for that? Only you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be forced someone or something that they don't wish do that. You must know how great and also important the book Terrorism, Crime, and Public Policy. All type of book would you see on many resources. You can look for the internet resources or other social media.

Diane Russel:

Reading a reserve tends to be new life style in this era globalization. With reading you can get a lot of information that can give you benefit in your life. Together with book everyone in this world could share their idea. Publications can also inspire a lot of people. Many author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors these days always try to improve their talent in writing, they also doing some research before they write with their book. One of them is this Terrorism, Crime, and Public Policy.

Blair Gant:

Terrorism, Crime, and Public Policy can be one of your nice books that are good idea. We all recommend that straight away because this book has good vocabulary which could increase your knowledge in vocab, easy to understand, bit entertaining however delivering the information. The writer giving his/her effort to set every word into delight arrangement in writing Terrorism, Crime, and Public Policy although doesn't forget the main stage, giving the reader the hottest and also based confirm resource information that maybe you can be among it. This great information may drawn you into brand-new stage of crucial contemplating.

Harold Thompson:

Your reading 6th sense will not betray a person, why because this Terrorism, Crime, and Public Policy guide written by well-known writer we are excited for well how to make book that can be understand by anyone who have read the book. Written in good manner for you, leaking every ideas and creating skill only for eliminate your own personal hunger then you still question Terrorism, Crime, and Public Policy as good book but not only by the cover but also through the content. This is one publication that can break don't evaluate book by its protect, so do you still needing one more sixth sense to pick that!?. Oh come on your reading sixth sense already said so why you have to listening to an additional sixth sense.
