In the early 1910s, Semaoen was sentenced to prison for sedition by the Dutch colonial government. The Story of Kadirun, a semi-autobiographical novel, reveals with honesty and comprehensive insight the unjust treatment towards the indigenous people from a historical perspective. Kadirun's tale, with its picture of the life of the Javanese during the colonial era, tells the readers what must be done to make the world a place fit to live in.
