The Yellow Sign and Other Stories: The Complete Weird Tales of Robert W. Chambers (Call of Cthulhu Fiction) Robert W. Chambers

This massive collection brings together the entire body of Robert W. Chamber's Weird fiction works, including material unprinted since the 1890's. Chambers is considered a landmark author in the field of horror literature for his KING IN YELLOW collection, which itself represents but a small portion of his weird fiction work. These stories are intimately connected with the Cthulhu Mythos introducing such manifestations as Hali, Carcosa, and Hastur. This book contains all the immortal tales of Robert W. Chambers, including "The Repairer of Reputations", "The Yellow Sign", and "The Mask". These titles are often found in survey anthologies. In addition to the six stories reprinted from THE YELLOW SIGN (1895) this book also offers more than two dozen other stories and episodes. These narratives rarely have appeared in print. Some have not been published in nearly a century. Stories are collected and edited by Lovecraftian Scholar S.T. Joshi.
