## Theogony and Works and Days Hesiod

Written in the late eighth century BC by Hesiod, one of the oldest known of Greek poets, *Theogony* and *Works and Days* represent the earliest account of the origin of the Greek gods, and an invaluable compendium of advice for leading a moral life, both offering unique insights into archaic Greek society. There are a number of modern translations of Hesiod available, rendered in serviceable English, but until now no one has created a work of literature equal to the original. This translation is the result of a unique collaboration between a classicist and a poet, capturing in English *fourteeners* the works' true poetic flavor while remaining faithful to the Greek text and the archaic world in which it was composed. This translation contains a general introduction, a translator's introduction, notes, and a glossary. It will be of interest to general readers, students of and specialists in classical literature, and lovers of poetry.

"This Schlegel-Weinfield translation of Hesiod is superbly crafted: compelling, unforgettable poetry to be read aloud with delight and gratitude."

—Allen Mandelbaum, Endowed Kenan Professor of Humanities, Wake Forest University

"This exciting and unique collaboration between a classical philologist and a poet will not just provide insight into archaic Greek society, but also offer something new: the opportunity to experience the richness of Hesiod's style, language, and modes of thought with remarkable fidelity to the ancient Greek. Weinfield and Schlegel make Hesiod sing."

—Carole Newlands, Classics Department, University of Wisconsin

"Schlegel and Weinfield have produced one of the most remarkable of a current resurgence of translations from the classics, allowing the modern world to hear a poet who may have known Homer. Hesiod's song makes us understand why the Greeks thought a poet could draw dolphins through the seas or raise the walls of Thebes. Weinfield translates by ear and transfers what he hears to the page, resonant *fourteeners*, a worthy echo of the past."

—Charles Stanley Ross, Professor, Department of English, and Director, Comparative Literature, Purdue University

**Catherine Schlegel** is Associate Professor of Classics, University of Notre Dame. **Henry Weinfield** is Professor and Chair of Liberal Studies, University of Notre Dame, and translator of *The Collected Poems of Stephane Mallarme*.

#### **Billy Golden:**

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Theogony and Works and Days can make you really feel more interested to read.
