Every culture has its legends. Those men and women whose legacies were so great that their stories have been repeated generation to generation. A person of such impact that other cultures long detached from the origins tell stories of these powerful individuals. Such is the story of Victor Deus. Unlike many such legends, there was little need to embellish the deeds he and his allies accomplished. Some remember him as a savior, some as a tyrant. There are whole worlds that worship him like a god, and others that raise him up as a devil. All of these worlds agree upon one thing though, he was fiercely protective of his allies, and swiftly dealt with his enemies.

How does one become such a figure? Loved by so many, yet feared by even more? The story is a long one, and I hope you will bear with me as the story unfolds. One thing you must know about Victor Deus is that he was not given time to be a child, for his formative years were full of training and despair. Therefore, it is there where this story begins, a boy, barely able to hold a sword, thrust into events he cannot control.

Victor Deus (Heritage of the Blood: Book One) is the first book in a series of books that follow Victor Deus and his ally's through an epic fantasy journey that will span many worlds and genres. The initial Arc will be three to four books long and will be a coming of age story for the main protagonists. Although I am starting with Victor at a young age, this will not be a young adult series. I have no plans for gratuitous sex or violence, but there will be war, and all that goes along with it.

\*12/29/14 book one has been re-edited and should make for a smoother read. (If you find something though, feel free to yell at me about it on social media or by e-mail and I can fix it for the next reader)

Heritage of the Blood: Book Two is now available!

Books in the Heritage of the Blood Series:

Victor Deus - Meet the main characters of the story Victor and Shawnrik, and learn about the world that they must grow up in.

Events are transpiring across the face of Terrazil and beyond, and they are not patient enough to wait for our heroes to grow up.
