Weekend Woodturning Projects: 25 Simple Projects for the Home Mark Baker

Build your woodturning skills and confidence with this collection of projects that take between a couple of hours and a couple of days to complete. All of the 25 projects can be undertaken using a limited amount of tools and equipment. Making use of the six basic tools - spindle roughing gouge, spindle gouge, parting tool, bowl gouge, skew chisel, and scrapers – the book also introduces a couple of carving tools and a boring tool and explains why and how to use them. Each project has a list of tools and materials required, drawings with dimensions, and a sidebar on the wood used. Sections on safety and seasoning wood are also included.
