♥ When David offered to help his friend move, he didn't expect to get tangled up in family drama. ♥

Cathy is like so many Asian mothers -- controlling, demanding, and micromanaging. She may have more ground to stand on, though: she's the dean of admissions for Duke university, after all!

Her attitude changes, though, after taking some experimental anxiety medication. Suddenly, she's taking an interest in David's sports career, watching porn, and even slipping into bed with him!
