Levelling the Score Penny Jordan

He'd always made light of her feelings

When she was young, Jenna had been infatuated with Simon Townsend, her best friend's teasing brother. Then infatuation changed to a curious uneasiness, one that made her feel edgy and restless in his company.

Fortunately she had little occasion to see much of him now, for, as a prominent London barrister, he moved in different circles than Jenna. But an escapade of his sister's threw Simon and Jenna together again in a most awkward—not to mention compromising—situation. He thought it was funny. Jenna was not amused.

And she would have given anything to avoid the consequences!
