Will your retirement savings be enough to last, or will you run out of money during your retirement?

If you're depending on a mutual fund IRA account, you should learn about credit spreads, a much better route to take.

The biggest problem with Traditional IRAs is that they are designed to benefit financial institutions and the government rather than the individual. For many years, financial planners, investment advisers and pension experts have been pointing out weaknesses in the Traditional IRA model. These are weaknesses which any would-be investor needs to know.

Credit spreads, or options, are one of the best and most secure wealth creation instruments available today. They are a safer, and more profitable way to guarantee that you'll have a comfortable and stress-free retirement.

Here is some of the information you'll find in *Smart Money Options*:

- Understanding why Traditional IRAs Have Failed
- Investing With Option Credit Spreads
- Educating Yourself To Trade Your Own Account
- Auto-trading With A Newsletter Service
- And much more!

Buy *Smart Money Options* now and start saving for your future.
