Conversations With Crystal The Woman Who Fell Off the Bridge Ms Crystal Manning

Crystal Manning tells her story of that fateful day, August 1, 2007, the day the I-35W Bridge collapsed in Minneapolis, MN. In her book, *Conversations With Crystal The Woman Who Fell Off the Bridge*, co-authored with B.P. Storm, she tells how she was saved from death in the Mississippi River by her fiancée, Michael Stoner, Jr., only to see him immediately charged with child abuse of her daughter. The book reveals the events that unfolded as her life was shattered that day in 2007. *Conversations With Crystal* tells not only a personal memoir of tragedy, it also tells a national story of a Justice System that has lost its moral compass, and a media more interested in profits than facts. A journey to the real dark side of our society, a society of condemnation and indifference. An uncompromising true story of redemption, where the inevitable forces of change will focus on what has been brought to light when Crystal Manning became the Woman Who Fell Off the Bridge.
