## **How to make free Android In-App purchase** Simarpreet Singh

We are all aware of android in-app purchases. Whenever we search for an app on google play store, we look up for a free version of that app! It's the human nature that we don't want to spend a penny to purchase an app! Even some free apps don't offer their ALL services for free. They charge a significant amount of money to unlock their premium features.

So this book deals exactly with how to hack the in-app purchases an android developer sets into his apps! The book is very short but the tricks inside will surely make you a profit worth thousands!! Yes believe me! The book is mainly written in more practical manner with clear pictures on how to perform each step. And I believe that this book will surely make you understand the things which you were unable till now...
