“I’ll need a gag, a collar and the very stiffest crop you can find.”

The daughter of a powerful clansman, Skye of Beveridge has been wed to William the Black. Skye has heard tales of the highland laird’s cruelty, but now she finally understands the pleasure that can come only through pain he delivers.

When her feelings for her former lover are reignited, it is William that counters with a proposal—a meeting that will take Skye to new heights of sexual submission. But Castle Grimmore remains under siege. Only when it is free, when highlanders once more fill its halls, can she finally allow herself the final release she so desperately yearns for.

F SOG meets Outlander, this third instalment in the Clan Darrow series is an erotic romance containing strong sexual themes and acts, including ménage, bondage, spanking, anal play and more. It is strictly for adults only.

EXCERPT

A fire burns in the wall, but at my back there is only cold; there is only Darren. A draft runs across the dungeon floor and snakes between my legs, cooling the burning cleft that waits there wet and vulnerable. William hands Darren a crop, but this is no ordinary riding implement. It’s as long as a broadsword, the shaft covered in stained leather thickening at the end to form a handle. I look to the other end, to the loop of leather designed to apply quick and steady strokes to the horse without marking it.

Darren holds the crop in both hands and murmurs approval. He fingers run over the tip. “It’s loaded.”
“Aye.”

Now I see the small metal inserts on the tip. My core tightens and my entire body goes with it, my _____pressing together to protect my most sensitive of orifices.

William crosses his arms and waits. I’m still trying to adjust to the gag in my mouth when Darren brushes the tip of the crop over one cheek. I immediately stiffen, eyes opening to full aperture and my breathing loud through my nostrils.

Darren gives my ___ a little tap with the crop and I flinch forward, ___ lifting. He laughs. “Eager, I see.” The sound of the crop being drawn back and then applied to my ___ is nothing short of aural cruelty of the highest order. The air screams and wails, parted and split.

William has used all manner of implements on my backside, but the sharp and penetrating sting of the crop has no equal.
