The Complete Guide to Buying, Owning and Selling a Home in Canada combines essential information about the law with practical advice on solving the everyday problems of homeownership.

This book does for retirement planning what *You Can't Take It With You* did for estate planning. It provides easy-to-understand information on a complex subject to help you maximize your income and minimize tax.

Make the Most of What You've Got promises to follow in the footsteps of author Sandra Foster's previous book *You Can't Take It With You*, a bestseller with over 50,000 copies sold, and numerous rave reviews:

"Finally -- a well-organized introduction to estate planning that asks, and answers, the tough questions. This is a book every baby boomer should consider for their parents and themselves!" --(Garth Turner, *Author, columnist & broadcaster*)
