CEB Economy Bible Common English Bible

The Common English Bible is a new translation. One hundred and twenty biblical scholars from twenty-two faith traditions worked as translators. These men and women balanced rigorous accuracy in translation of the ancient texts with an equally passionate commitment to clarity of expression in contemporary English. The result is a clear, direct, and powerful English version of the scriptures for use in Bible study, devotional reading, and worship.

This economy edition makes it affordable for churches, ministries, and other organizations to share God's word.
