## A Dog's Way: How Dogs Make Us Better People Dean Miller

Dean Miller has been studying dog training and animal behavior his entire life. Through the years, he has developed a keen understanding of how dogs think and act. *A Dog's Way* shares this knowledge with you.

*A Dog's Way* is not a training manual. Instead, Miller offers an unparalleled look into your dog's mind. Dogs have simple, straightforward thought processes, with instincts capable of reacting in the blink of an eye. Their body language is eloquent and nuanced. They may not be able to do math or drive a car, but their skills and capabilities are breathtaking in their own right.

Understanding your dog makes training easier and enhances your relationship with your pet. But more importantly, your dog can teach you as much about yourself as you teach your dog. To understand and love a dog is to see yourself reflected in your dog's eyes. They are perfect little windows of insight into the soul.

Whether you're a longtime dog lover or you just welcomed a dog into your life, *A Dog's Way* will help you understand and appreciate your canine friend. And in doing so, you will learn to better understand yourself.
