A girl's got to do, what a girl's got to do. Ileana Dupree found that out the hard way when she lost her high paying job and then her boyfriend to a sugar momma. With bills coming due and no work, she did what no woman ever wants to do. When she is interviewed for a job, she thinks it's just another guy needing arm candy for a Christmas Party. Boy was she ever wrong.

Instead she is sent to the mansion home of the very sexy Casey Logan who lives a life of solitude and didn't even know she was coming. Instead of sending her on her way, he asks her to stay and spend the holiday with him. In a room that looks like Christmas central and scorching chemistry between her and Casey, Ileana soon sees why he is alone and the hurt that has been done to a man who has nothing but good in his heart. Christmas brings the magic of love and new possibilities to this unlikely couple, but will it last into the new year and beyond?
