In The Arms of Baby Hop is a direct-no nonsense, but powerful expressive autobiographic collection of how hip hop music has shaped, inspired, redirected, and given strength to Mr. Kenny Attaway's life as he writes "I fell in love with hip-hop in 1985, and the love is still strong, the bond still is. With the exception of GOD and my mother hip-hop music has been the medicine needed for many sick and cinematic nights. Over the last 20 years many situations have arrived and without GOD, mom, and the music I know I would not be here to be telling you shit. My music helped me to understand many of the unkind facets of life such as death, discrimination, low self-esteem, poverty and whatever else your mind can fester to throw in the melting pot. Hip-hop has helped me to remember to forget, accept my reality, change my reality, and inspired me to change the world in some aspects. Thanks to hip-hop, excuse me baby hop, I have inspired and been inspired to set precedence in taking part in some of the most amazing things ever. In baby hop, I found a voice, a stage, a shoulder, a goal, a friend, but most importantly I found a purpose. With this book, In The Arms of Baby Hop, I found the strength, courage, and inspiration to open up and write about some of the most interpersonal experiences and road blocks in life over the last 20 years. I also found a way to thank baby hop for inspiring me not only to get through the road block, but to gyrate, giggle, respect the power of music and rejoice along the way. In short, I deliver to you In the Arms of Baby Hop: the unrecorded double LP (the rappin book).
