Bright lights, big city...magic spells, witchcraft, wizardry, fairies, devilry, and more. Urban living, at least in fantasy fiction, is full of both magical wonder and dark enchantment. Street kids may have supernatural beings to protect them or have such powers themselves. Brujería may be part of your way of life. Crimes can be caused (and solved) with occult arts and even a losing sports team's "curse" can be lifted with wizardry. And be careful of what cab you call ? it might take you on a journey beyond belief! Some of the best stories of urban enchantment from the last few years gathered in one volume full of hex appeal and arcane arts.
