One Stone Revolution: The Untold Story Akibo Robinson

For Sierra Leone, the period from 1991 through 2002 was one of tremendous political turmoil which led to chaos and violence. In *One Stone Revolution*, author Akibo Robinson provides a firsthand account of the conflict in Sierra Leone in the late nineties. Based on a diary he kept during this time, Robinson tells of fleeing the violence with his family, crossing through countries on the roads of West Africa to Ghana to find refuge. He shares an insider's perspective of the history of the conflict as well as the direct impact on the country's inhabitants and government. From a historical perspective, *One Stone Revolution* describes the ugly, untold stories of the mayhem of the May 25, 1997 junta and the January 6 invasion of Freetown. This story also addresses the theme of the decline of Sierra Leone's original national values and its national governance, but it also decries the support given by some Sierra Leonean elite to the perpetrators of horrible acts against an innocent people.

From reader reviews:

Megan Snyder:

What do you regarding book? It is not important along with you? Or just adding material when you require something to explain what the one you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to do others business, it is make one feel bored faster. And you have extra time? What did you do? Every person has many questions above. The doctor has to answer that question simply because just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this particular One Stone Revolution: The Untold Story to read.

Michael Hamrick:

Now a day those who Living in the era where everything reachable by talk with the internet and the resources included can be true or not involve people to be aware of each data they get. How a lot more to be smart in having any information nowadays? Of course the answer is reading a book. Reading through a book can help persons out of this uncertainty Information specially this One Stone Revolution: The Untold Story book because book offers you rich data and knowledge. Of course the details in this book hundred per-cent guarantees there is no doubt in it everbody knows.

Antonette Schneider:

Reading a guide tends to be new life style with this era globalization. With examining you can get a lot of information which will give you benefit in your life. Using book everyone in this world may share their idea. Books can also inspire a lot of people. A great deal of author can inspire their very own reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some investigation before they write to their book. One of them is this One Stone Revolution: The Untold Story.

Kirk Thomas:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this One Stone Revolution: The Untold Story can make you experience more interested to read.
