Years ago, Rolling Stone magazine dubbed the nine collective children of the most famous band in the world “Rock Royalty.” Now all grown up, the princes and princesses are coming back to L.A.’s Laurel Canyon to discover if love can be found among the ruins of a childhood steeped in sex, drugs, and rock ‘n’ roll.

Some people say Payne Colson has a death wish. He likes all things fast, hot, and dangerous. His life was on a rocket-like trajectory until he crashed, bringing into his life a woman from the past that he’d done all he could to protect...from himself. But she’s more temptation now and Payne isn’t sure he has the strength to turn away from her a second time.

Rose Dailey had a teenage crush on Payne, and he’s only sexier now. She’s been walking the straight-and-narrow since that one play she made for him, but now she’s ready for a visit to the wild side... And maybe ready for Payne as well.
