I wanted to give him something he'd never forget ... a beautiful baby boy!

Alana:

I met him when I was nineteen and fell immediately in love with the dark, handsome stranger. He seemed to understand me, our connection going beyond the mere physical and forming an unbreakable bond between us. But I left him in my darkest hour without a word when I discovered the secret behind our love ... but it was too late because I was already pregnant!

Luke:

The beautiful blonde was a chance encounter at a party, but it grew into something beyond my wildest dreams. She was sweet, giving, with nary a mean bone in her body. I planned to make an honest woman of her, but she disappeared without a trace. And now two years later she's back ... and I'm having MY way this time because she's got my son in her arms!

This erotic romance is told from both Alana's and Luke's points of view. Join the couple as they discover the scathing secret underlying their desire ... and their hope for a new beginning as part of a trio ... with baby!
