## **The LIBERTARIAN READER: Classic & Contemporary Writings from Lao-Tzu to Milton Friedman**

The first collection of seminal writings on a movement that is rapidly changing the face of American politics, The Libertarian Reader links some of the most fertile minds of our time to a centuries-old commitment to freedom, self-determination, and opposition to intrusive government. A movement that today counts among its supporters Steve Forbes, Nat Hentoff, and P. J. O'Rourke, libertarianism joins a continuous thread of political reason running throughout history. In The Libertarian Reader, David Boaz has gathered the writers and works that represent the building blocks of libertarianism. These individuals have spoken out for the basic freedoms that have made possible the flowering of spiritual, moral, and economic life. For all independent thinkers, this unique sourcebook will stand as a classic reference for years to come, and a reminder that libertarianism is one of our oldest and most venerable American traditions.
