The River Sorrow Craig Holden

In one of the most unique and powerfully realized debut novels of the decade, Craig Holden creates a page-turning drama that is both emotionally shattering and harrowingly plausible.

When a fatally burned victim is brought into the Morgantown General Hospital emergency room, a young doctor's life is changed irrevocably. For Dr. Adrian Lancaster, the arrival of "John Doe" is only the first of a bizarre and bloody series of events that will force him to relive his violent past and put him on the run. On the road and underground, accused and accuser, Lancaster's only hope for survival lies in facing the terrifying truth.
