What's life like for the single girl in the post-*Sex and the City* era? Imogen Lloyd Webber—in her thirties and happily unwed—tells all, in a smart and sassy guide to work, mind, body, home, friends, socializing, and, of course, dating and sex. She even creates her own shorthand for discussing relationships, explaining what the difference is between a SMBF (Straight Male Best Friend) and a PMDL (Promise Much, Delivers Little) boy. You'll find funny and realistic girl talk about everything from dealing with family, Valentine's Day, and being a "plus one" to gynecologist appointments, apartment decorating, and roommate disasters. There's savvy advice on picking up guys, too, but the focus is always on the fabulous single girl herself.
