What Would Lizzy Bennet Do? (The Jane Austen Factor, Book 1) Katie Oliver

'In a tone similar to Sophie Kinsella but altogether her own, Katie Oliver will write her way into your heart with her characters and her stories.' - A Woman Reading

When your name is Lizzy Bennet and Mr Darcy lives next door, romance is anything but simple...

Especially since a film crew has just arrived to shoot *Pride and Prejudice* at the Darcy estate! And when Hugh Darcy, the one who got away, arrives home after 8 years absence, Lizzy can't help but think it's fate. Until, that is, he introduces her to Holly – his fiancée...

What can Lizzy do but try not to feel too prejudiced against Hugh's new woman – a city girl who knows nothing about country life, and seems more concerned with her film star ex than her current fiancé?

There's no denying that there's something suspicious about Holly's interest in Hugh...and when he begins to have doubts about his high-maintenance fiancée, it seems a break up is on the cards. But is it too late for Lizzy to swallow her pride and get her Austen ending after all?
