In the new economy, everyone is a free agent. That can be a headache for managers--or it can be an opportunity. In this short, focused eBook exclusive, Daniel Pink--author of *Free Agent Nation*--equips business leaders with a simple, provocative, and powerful strategy for winning talent wars. By eliminating seven words from their business vocabulary--by banishing the terms that make talented people's skin crawl and the best employees head for the exits--they can attract and inspire the new economy's superstars. Pink's spirited, and often hilarious, 4,500-word manifesto belongs on the PDA of every manager in America.
