## **The Vampire Diaries: Crossing the Bridge (Kindle Worlds Novella)** Kiana Maria

"Dear Diary, I am a cheerleader. I am fairly popular. I have a boyfriend. He is a football player. He is fairly popular. I have many friends and a house and a mother and a father and a brother and everything I need and I make good grades. Sometimes I even think of myself as pretty. I have every element needed for a Happy Teen Existence. So why do I feel like this?"

Before the crash that took her parents' lives, Elena Gilbert is a high school sophomore - a cheerleader, pretty and popular. She begins dating Matt Donovan, and everyone from her mom to her best friend thinks they make the perfect couple. Everything is good, yet something is missing.

Meanwhile, on the other side of the world...

Stefan Salvatore has returned to Italy, the land of his ancestors. A vampire living on animal blood, he has secluded himself away from humanity. He meets Simona, and decides to keep his true nature a secret. Little does he know that Simona has a secret of her own.

One tragic night in Mystic Falls, Elena's life and Stefan's suddenly collide. He saves Elena, but her parents are dead. While Elena must live with the tragedy, Aunt Jenna moves in, and Jeremy masks his pain with drinking and drugs. Stefan watches from a distance, knowing only one thing: They have to meet.
