Wilde At Heart

Tonya Burrows

Wilde At Heart Tonya Burrows

Reece Wilde put everything in his life on the backburner to protect his brothers and their struggling company, Wilde Security. With a major contract on the line, Reece can't afford any mistakes...like getting caught in a red-hot, X-rated moment with wild child Shelby Bremer, who's more trouble than he can handle. Now he's being blackmailed. Shelby's mile-long impulsive streak gets her in more trouble than she'd like to admit. Between her sister's wedding, her coffee shop set on fire, and getting down and dirty with the groom's brother, things are definitely coming off the rails. With both their careers and their safety on the line, Reece is determined to keep them both safe...even if it means a Vegas-style shotgun wedding. But gambling on a wild card—and a wild soul—is risky...and sometimes, it can get a guy killed.

From reader reviews:

Joshua Johnson:

In this 21st one hundred year, people become competitive in every single way. By being competitive now, people have do something to make these individuals survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated that for a while is reading. Sure, by reading a book your ability to survive boost then having chance to stay than other is high. In your case who want to start reading the book, we give you that Wilde At Heart book as beginner and daily reading publication. Why, because this book is greater than just a book.

Rosalyn Kendall:

Nowadays reading books be than want or need but also work as a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge your information inside the book in which improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with education and learning books but if you want feel happy read one having theme for entertaining including comic or novel. The Wilde At Heart is kind of guide which is giving the reader erratic experience.

Dean Green:

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even a concern. What people must be consider when those information which is within the former life are hard to be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you find the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Wilde At Heart as the daily resource information.

Roxanne Harrelson:

A lot of guide has printed but it differs from the others. You can get it by internet on social media. You can choose the best book for you, science, comic, novel, or whatever through searching from it. It is known as of book Wilde At Heart. Contain your knowledge by it. Without leaving behind the printed book, it may add your knowledge and make you actually happier to read. It is most crucial that, you must aware about publication. It can bring you from one spot to other place.
