## **Final Fridays** John Barth

For decades, acclaimed author John Barth has strayed from his Monday-through-Thursday-morning routine of fiction-writing and dedicated Friday mornings to the muse of nonfiction. The result is *Final Fridays*, his third essay collection, following *The Friday Book* (1984) and *Further Fridays* (1995). Sixteen years and six novels since his last volume of non-fiction, Barth delivers yet another remarkable work comprised of 27 insightful essays.

With pieces covering everything from reading, writing, and the state of the art, to tributes to writer-friends and family members, this collection is witty and engaging throughout. Barth's "unaffected love of learning" (*San Francisco Examiner & Chronicle*) and "joy in thinking that becomes contagious" (*Washington Post*), shine through in this third, and, with an implied question mark, final essay collection.
