**Scarlet Letter: The Manga Edition** Nathaniel Hawthorne, Yali Lin, Adam Sexton

*The Scarlet Letter: The Manga Edition* will be a hit with both manga readers and in the classroom. A four-page essay at the beginning ties the novel and manga together; the rest of the book is taken up with the manga novel itself. So, there should be strong carryover between those people who are manga readers and those teachers/students who want a new and unique way to read the plays.

Our *The Scarlet Letter* manga is true to the original context of the play--we don't take Hester and Pearl and set them in a setting/time that's not relevant to Hawthorne's original and intended time/setting. You could say that ours is "true" to the novel.
